

KANTLEEK

**It Can't Leak,
Because It's Made
in One Piece**

A KANTLEEK is built like a bottle—all in one piece. Most hot-water bottles are made in sections; then cemented together. When cement dries and cracks, the bottle leaks. Every Kantleek Hot-Water Bag is moulded of pure soft rubber—one continuous piece. No parts, patches, cement. Even stopper socket is moulded in. And guaranteed for a full two years' service—or a new Kantleek free. Don't wait until your old bag leaks. Get a Kantleek. Your old one may break open tonight.

The Rexall Store of Grant Holden, Yale

WE WERE AMUSED!

At Sale Prices

quoted in Port Huron's recent big sales and at other sales in surrounding towns. A comparison of prices showed us selling every day the same goods at lower than these loudly heralded sale prices. One store shouts "Best Percales 29c." Our regular price is 26c. Another shouts, "50c Outings for 25c." We have been selling the same grades at 25c for two months. Still another yells, "35c Calumet Baking Powder, 30c." We have never charged more than 30c for this article. Another screams "Men's Heavy Fleeced Shirts and Drawers, \$1.38." We have been prominently displaying these at 98c for six weeks. There are many other instances we could quote.

DON'T GET FOOLED.

A big bill and a big noise doesn't always mean a sale. It's PRICES THAT COUNT. We have the prices. You make the comparison and you will trade in Yale.

SPECIAL NOTICE--All our Hosiery has been marked down again. Big reductions in Children's hose.

We urge you—"Compare Prices."

A GOOD FRIEND

A good friend stands by you when in need. Yale people tell how Doan's Kidney Pills have stood the test.

John Henry, city marshal, of Arthur and Second sts., Yale, endorsed Doan's Kidney Pills six years ago, and again confirms the story. Could you ask for more convincing proof?

"For a number of years I had severe pains across the small of my back," says Mr. Henry. "Also dizzy spells and headache caused me annoyance and small specks would float before my eyes. At times I would have to catch hold of something to keep from falling. My kidneys were in a very disordered condition, the passages were too frequent, cloudy and contained a sediment like brick dust. I procured a box of Doan's Kidney Pills from Holden's Drug Store and this first box gave me relief. I continued taking Doan's and I am pleased to say all the symptoms of kidney trouble vanished." (State ment given March 8, 1912.)

On August 9, 1919, Mr. Henry said: "I haven't had to use Doan's Kidney Pills since recommending them before, and am glad to say my cure is permanent. Doan's are fine for weak and irregular kidneys."
